

APUSH

Unit 2 Day 4

Bug Day

1. Since you're just sitting here, why don't you review the graphic organizer over the NE, Middle and Southern colonies. Note any questions you might have, and be prepared to "bug" your teacher and discuss those questions with your peers in large group. If you're having trouble thinking of questions, please consult the list on the back of this page to make sure you have a basic understanding of each idea.
2. Complete the formative assessment over the first half of Unit 2 by answering three out of the seven short answer questions.
3. Gather into large group, bringing your APUSH Thematic outline, APUSH concept outline, formative assessment answer sheet, and colonial graphic organizer.
